

Privacy Policy

1. Purpose of personal data collection.

Classroomcoach360 app collects the email and username of users with the sole purpose of allowing the opening of an user account which is mandatory for the use of the app. Classroomcoach360 does not share or sell personal data to third parties or companies in compliance with the laws on the protection of personal data active in all countries. When creating an account, the user consents to share his email and username

2. Data protection

Classroomcoach360 is based on the HTTPS (HyperText Transfer Protocol Secure) protocol. It's a communication protocol that protects the integrity and confidentiality of users' data between their devices and the app.

Classroomcoach360 does not manage any online payments. These are directly managed and processed by payment platforms such as MercadoPago and Paypal.

Classroomcoach360 processes data from user's assessments which remain anonymous to the other users, thus not exposing minors identity or results (the app does not allow any internal contact between users).

3. Data retention period.

Classroomcoach360 keeps the user's data (email, username, assessments) for up to 8 weeks after registering. After that time user's accounts become inactive. Users can also request by email to have their account deleted.

Personal data is protected by the editor of classroomcoach360 app.
